February 5, 2010

To Whom It May Concern:

I have had the pleasure of working with Thomas King of King Media Productions on several occasions. Mr. King is always very professional and provides a high quality sound system for our annual meeting each year. I have never had any doubts with Mr. King's service; he always has the sound equipment set up in ample time for our event.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Trevor R. Bonnstetter', is written over a large, faint, light blue watermark of the 'WK' logo.

Trevor R. Bonnstetter
